Prayer Focus - FIEC

The Fellowship of Independent Evangelical Churches (FIEC) is a family of over 500 local churches who are united by the gospel and by a common purpose. As a Fellowship FIEC exist to encourage and equip independent churches to thrive, impacting the UK with the good news of the Lord Jesus Christ.

FIEC believe that churches “thriving” will mean disciples growing in their faith, people becoming Christians, gospel workers being trained, and more churches being planted. This is how the UK will be “impacted”, as local churches flourish and send their members into the world to influence, love, work, and speak as ambassadors for the gospel.

There are many challenges facing churches seeking to thrive in our culture. This is especially true for churches that are independent of any denomination, and who therefore lack national representation and the blessings of shared resources. The FIEC endeavours to be a solution to these common challenges associated with Independency, as well as being a catalyst for greater Christ-honouring partnership and ministry.

In working for the benefit of our churches, the FIEC are active in five specific areas:

- **National** issues, vision and representation
- **Pastoral** care of churches and those who serve them
- **Practical** support and advice
- **Training** for different types of Christian service
- **Mission** strategy, both here in the UK and further afield

Please pray for the work of the FIEC. If you would like to know more please visit their website fiec.org.uk or ask one of the church officers.
